Micro Lithography Inc. Corporate Environmental Policy

Micro Lithography Inc. (MLI) Corporate's environmental policy is to provide safe environment manufacturing facilities, to promote environmentally responsible practices and to maintain compliance to all applicable statutory regulations for the benefit of our customers, employees and the communities which we are operating in.

MLI's environmental policy shall be achieved through:

- Continual improvements through Research and Development for environmentally safe materials, chemicals and processes use for the manufacturing of Pellicles.
- Continual improvement on Energy use efficiency
- Wastes management and reduction plans
- Continue update and review of all applicable environmental statutory regulations and objectives

MLI is committed in working with our suppliers, customers and employees to ensure this environmental policy is met.

Chris Yen
President/CEO
